# SLE TRAINING. Disaster Risk Management and Climate Change Adaptation Mainstreaming

**Trainer:** Mr. Martin Becher  
**Duration:** 24 February - 05 March, 2021

## Course programme first week

<table>
<thead>
<tr>

<th>Wednesday, 24.02.2021</th>
<th>Thursday, 25.02.2021</th>
<th>Friday, 26.02.2021</th>
</tr>
</thead>
</table>
| 9.00 - 10.30 | Registration (8.30 am)  
Welcome (9.00 am)  
Introduction to the training course | Lead-in: review of previous day, objectives for the day, schedule  
Community-based DRM | Lead-in: review of previous day, objectives for the day, schedule  
Guest speaker (9.30 – 11.00 am)  
Matthias Amling, Federal Foreign Office (tbc)  
Disaster Risk Reduction and Preparedness within Germany’s Humanitarian Assistance |
| 11.00 - 12.30 | Objectives, personal expectations and agenda  
Basic terms and Concepts of DRM | Climate Change: concepts, causes, factors, effects  
Adaptation to Climate Change  
Participants bring in their own experience | Participants present case works from their countries |
| 13.30 - 15.00 | Basic terms and Concepts of DRM | Methods for Group Work and Visualization  
Designing a DRM Strategy: First analytical steps  
Goal: To develop a first understanding of potential hazards, taking climate change under consideration | DRM - Risk Assessment  
Objectives, Principles and Procedure |
| 15.30 - 17.00 | DRM – Background and Components  
Participants’ contributions based on their own experiences | - continued - | Assessing likeliness of hazards |

| 10.30  | **Guest speaker**  
Thomas Loster, Chairman Munich RE Foundation (tbc)  
**DRR/Climate change adaptation and the role of insurance mechanisms** | **Designing a DRM Strategy:** - continue exercise of the previous day -               | **Eco-DRR and its role to reduce risk**                                               | **Designing a DRM Strategy:** Identify measures to increase resilience  
Goal: to identify various possible DRM measures from different perspectives | **Preparation of Role Playing Game** |
| 9.00 - | **Coffee break**                                                                    | **Guest speaker ctd.**  
**DRR/ Climate change adaptation and the role of insurance mechanisms**           | **Role Playing Game: Paying for disaster predictions**                               | **Designing a DRM Strategy:** Select measures to increase resilience  
Video on DRR project in Mozambique                               | **Role Playing Game: Promotion of DRM**  
Presentation of results of the week's group work  
**Course evaluation** |
| 12.30  | **Designing a DRM Strategy:** Assessing Disaster Risk  
Goal: To identify factors contributing to risk, and possible entry points to increase resilience | **Guest speaker**  
Dr. Fabian Löw, Federal Office of Civil Protection and Disaster Assistance (tbc)  
**Risk mapping with GIS (Geographic Information System)** | **Excursion**  
Emergency relief in practice  
**Logistics Centre of the German Red Cross at Schönefeld Airport (tbc)** | **Designing a M&E System focused on DRM**  
Formulation of outcome and outputs | **Closure and certificates** |
| 13.30  | **Coffee break**                                                                    | **Excursion**  
Emergency relief in practice  
**Logistics Centre of the German Red Cross at Schönefeld Airport**               | **Designing a M&E System focused on DRM**  
Formulation of impact indicators | **Good-bye! Auf Wiedersehen!** |                                                             |
| 15.30  | **- continued -**                                                                    | **Guest speaker ctd.**  
**Risk mapping with GIS**  
**Practical exercises**                                                        | **Excursion**  
Emergency relief in practice  
**Logistics Centre of the German Red Cross at Schönefeld Airport**               |                                                             |                                                             |
| 17.00  |                                                             | **Excursion**  
Emergency relief in practice  
**Logistics Centre of the German Red Cross at Schönefeld Airport**               | **Designing a M&E System focused on DRM**  
Formulation of impact indicators |                                                             |                                                             |
